

SHARE THIS MEAL WITH ME

Revised 21.10.09

Chorus

Take **my body** and **drink my cup**
Share this meal with me I will nourish you
Take **my body** and **drink my cup**
I give strength to you as we journey on

1. Just as You showed us long ago
We remember You
Knowing that You are always close
As we gather at your feast
2. We come together to hear Your Word
We remember You
To follow in the ways You lived
As we gather at Your feast
3. **Through Your body and Your cup we share**
We remember You
So many parts **we** become one now
As we gather at Your feast
4. By your love that You showed for us
We remember You
Bread of life and a cup for all
As we gather at Your feast
